

Week 3 Video: Introduction to Why Relationships Matter

Wealth is determined in large part by your Decisions, Choices, Actions, Behaviors, Plan

Living by yourself? Benefits vs. Drawbacks

At some point the results of your work/effort will become

At the beginning wealth generation begins with

What's an example of a Micro Business?

How does the guy who works for Kevin build wealth?

Early in your business you have more _____ than _____.

As a rule don't spend money if it is not _____.

My goal is to make you a millionaire _____

Business for wealth creation works around the globe.

How important are your relationships to your success at wealth building?

Even though you are 100% responsible for your ULTIMATE success in building wealth, your relationships will change your speed of success and unfortunately they can stop you cold and back in a JOB.

In Kevin's example, someone works 20 years and he finds out something disturbing. What does he learn?

Do the "house math" right now and lay out the crucial takeaways:

People run under the belief that you "own a house." You really don't. The bank/the government owns it until you have paid for it in full.

What is the true value of a job?

Relationships determine _____

Upside of living by yourself _____

By yourself you should be earning _____

Because you own "the business" \$100,000 business translates into you KEEPING _____

Even if the lawn guy never does ANYTHING else to build wealth, he can be wealthy simply saving his money from his lawn business.

The probability of succeeding (earning 100,000 per year) that is single is almost _____.

Partnerships vs. Marriages according to BLS?

In both partnerships and marriages you have the opportunity to seek help from another person.

When you "buy a car" what do you really have? _____

Kevin recommends picking a luxury or two. In fact he says it is a MUST!

Fastest legal/ethical income in the world comes from _____ businesses.

If, however, you are an employee you end up with nothing.

Consider relationship dynamics and your Micro Business

What is one big reason that people want to build wealth?

If the person is not willing to help you, you should be _____

A relationship is about _____

A relationship is not 50/50 it's

If they have no children, they have

What are some of the "excuses" people use when they have kids.

What stages in the age of kids are fairly predictable as far as how easy or hard it will be for a Coffee Table Business to be built.

Discuss roles

If someone isn't helpful, you need to...

Intonation IS _____

Words are _____

Friends and family can make a huge difference in your Coffee Table Business. How?

While you are building your business, you need your attention on:

Most friends or family (pick one) are/are not excited you are in business building wealth. Why?

The relationship between you and your friends can destroy your business or make it big.

You would like your friends to push you _____

What is difference between you and your partner/spouse when thinking about wealth?

Never plan on someone else paying your bills when you aren't working. Assume it is your responsibility.

Their timeline is different than your timeline.

HOW?

What does Kevin say his chances of being alive in 8 years are? Why is this important?

How much more value does today have when compared to August 17, 2020?

Does your spouse need to see the future as valuable?

What kind of disasters do people neglect preparing for?

You can't build wealth from your job unless it pays you

Can you have fun while you work hard? Explain?

The person in the Hamster Wheel trains to be the _____

If the spouse comes on board and are on the same page, you will _____

If you are single and you are at the point of starting to build wealth you want to marry someone who
